Dear Parents and Carers,

Wraparound Care Provision

Come September our School's wraparound care provision will have been in place for two years. On the whole, support for our ASC extra-curricular clubs that run from 3.30pm to 4.30pm is strong but only a few of our parents/carers make use of the extended childcare offered until 6pm. EMDO is operating with very low attendance numbers.

As you would expect, any extra-curricular clubs and childcare should be self-funding and we are required to check regularly that this is the case. We are therefore undertaking a review of our current provision and your views and requirements are important factors in how we plan for the future. With this in mind, please take the time to complete the questionnaire that is attached to the emailed version of this letter. A response by Monday 12th May would be appreciated. Thank you.

VE Day Party

Next Thursday is VE Day. We will be commemorating the event by holding our own VE Day party for the children which will run from 2.50pm to 3.30pm. At 3pm – which will be exactly 80 years to day - we will listen to the radio broadcast that Winston Churchill gave announcing the end of fighting in Europe, followed by a recording of the present-day VE Day 80 Flypast that will take place on Monday. There will be photographs on display of the 1945 VE Day celebrations and a few cakes and refreshments for the children to enjoy. The day will be a non-uniform day with children encouraged to come into school wearing red, white and blue.

Dates for your diary

- Next Monday – 5th May – Bank Holiday – school will be closed to all.
- Clarification of Inset Day Date – school will be closed to children on **Thursday 19th June** as this is an inset day. Unfortunately, the EMDO and ASC booking forms for this term indicated that there was an inset day on Wednesday 22nd May – please note that this was an error. School will be open as usual on 22nd May as will after school club. Apologies for any confusion caused.
