MATHS YEAR 1	<p>Number: Place value (within 10) Number: Addition and subtraction (within 10) Geometry: Shape Number: Place value (within 20)</p>		<p>Number: Addition and subtraction (within 20) Geometry: Shape Number: Place value (within 50) Measurement: Length and height</p>		<p>Number: Multiplication and division Number: Fractions Geometry: Position and direction Number: Place value (within 100)</p>	

		Measurement: Weight and volume	Measurement: Money Measurement: Time
Maths Year 2	Number: Place value Number: Addition and subtraction Measurement: Money Number: Multiplication and division	Number: Multiplication and division Measurement: Mass, capacity and temperature Measurement: Length and height Geometry: Properties of shape	Number: Fractions Geometry: Position and direction Measurement: Time Measurement: money Statistics
SCIENCE	Animals including Humans: Sensitive bodies Comparing animals	Living Things and their habitats Microhabitats	Lifecycles and Health Making Connections
HISTORY	<p>What started The Great Fire of London? The children will learn all about The Great Fire of London. The children will be able to sequence events on a timeline and explain the cause of the fire. They will learn about Samuel Pepys and his diary. They will compare London in 1666 to now.</p> <p>Remembrance Day Why people wear poppies, who we are remembering. The children will be introduced to World War 1, the armistice and the first Remembrance Day, as well as exploring ways we can remember and commemorate fallen soldiers today.</p> <p>The Gunpowder Plot The children will learn about Guy Fawkes and Bonfire Night, why lots of people in England didn't like King James 1 and who Guy Fawkes was.</p>	<p>Significant people The children will be learning about Tim Peake and Neil Armstrong, Helen Sharman and Guion Bluford. They will learn about the history of Space travel and how it has changed. They will learn about the achievements Neil Armstrong and why he is remembered and what it was like to be part of the space mission. They will find out about Galileo and the discoveries he made.</p>	<p>Significant people The children will be learning about significant people throughout History. The children will also learn about Grace Darling They will learn about how they have contributed to national and international achievements. They will also compare aspects of life in different periods.</p> <p>Seaside Holidays We will investigate what we like about seaside holidays before taking a look back at Victorian seaside holidays, comparing and contrasting.</p>
GEOGRAPHY	<p>Focus on London: Know how to identify what makes up a town/country and know the key features and landmarks in the UK.</p> <p>Know about London, including its location, geographical features and famous landmarks.</p> <p><i>Compare Urban and Rural landscapes.</i></p>	<p>Weather</p> <p>What is the weather like in the UK?</p> <p>Know about the seasons and seasonal changes.</p> <p>Know about and describe daily weather patterns.</p> <p>Transport:</p>	<p>Why is our world wonderful?</p> <p>Know that there are geographic similarities and differences between the UK and a non-European country. (UK and Australia)</p> <p>Know that the locality has human and physical features for different purposes.</p>

		<p>Know the continents of the world and locate the Kennedy Space Centre in North America.</p> <p>Know how to use compass directions to describe the position of it within the state of Florida.</p> <p>Know how to describe routes on grids using the four compass directions.</p>	<p>Know the difference between 'human' and 'physical' Geography.</p> <p>Know that there are human and physical landmarks (beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley and vegetation) Name some of the worlds most amazing places.</p> <p>Know how to use a world map to start recognising continents, oceans and countries outside the UK.</p> <p>Know how to identify physical features, using aerial photographs and maps with support.</p> <p>Know how to identify settlement and land use as well as human features and compare to features in our local area.</p> <p>Locate continents and oceans of the world, countries and cities of the UK and surrounding seas.</p> <p>Know about natural habitats in our local area and compare with Australia.</p>
ART	<p><u>Access Art</u> Explore and draw</p>	<p><u>Access Art</u> Simple print making</p>	<p><u>Access Art</u> Making Birds: Sculptural project beginning with making drawings from observation, exploring media and transforming the drawings from 2D to 3D to make a bird.</p>
Design and Technology	<p><u>Mechanisms: Wheels and axles</u> Learn about the key parts of a wheeled vehicle, to develop an understanding of how wheels, axles and axle holders work. Design and make a moving vehicle. <u>Food: bread</u></p>	<p><u>Food: Fruit and vegetables</u> Learn how to distinguish between fruit and vegetables and where they grow. Design a fruit and vegetable smoothie and accompanying packaging.</p>	<p><u>Textiles: Puppets</u> Explore methods of joining fabric. Design and make a character-based puppet using a preferred joining techniques, before decorating (linked to Punch and Judy seaside shows)</p>

	The children will taste various breads and create their own recipe to make their own loaf of bread. The children will learn how to measure, mix, stir and knead ingredients. They will look at using ingredients to add flavour and shape their bread. <u>Structures: Tudor house</u> Model of a Great Fire of London House using recyclable materials (set on fire to show how quick the Great Fire of London spread) <i>*History and Geography link</i>					
PE	Invasion Multi Skills-Throwing and catching Multi Skills-Ball skills Gymnastics		Multi Skills-Striking Dance Multi Skills-sending and receiving Netball skills		Inclusive sports Team games Net and wall Athletics	
PSHE	Scarf - Me and My Relationships	Scarf – Valuing Difference	Scarf – Keeping Safe (Scarf – Rights and Respect (year 1)	Scarf – Being my Best	Scarf – Growing and Changing
RE	Stories of Jesus: What can we learn from them?	Celebrations and festivals: Who celebrates what and why? Christmas, Diwali	Symbols in religious worship and practice: Symbols and artefacts. Christian and Jewish people	What is precious to Jewish people?		How do we show we show we care for each other? Christians and Jewish people, non-religious world views
COMPUTING	Computing systems and networks - Technology around us	Creating media – Digital painting	Data and information – pictograms	Programming A – moving a robot	Creating media – digital music	Programming B – programming quizzes
MUSIC	Singing (Harvest, Christmas carols and nativity) Timbre and rhythmic patterns (Theme: Fairytales) Myths and legends		Dynamics, timbre, tempo and motifs (Theme: Space) African call and response song (Theme: Animals)		Vocal and body sounds (Theme by the sea) Musical vocabulary (Theme: Under the sea)
