Dear Parents and Carers,

Careers Fayre for Year 6 Pupils

On 26 February, Year 6 children went on a Career's Trip to Gulliver's Valley. The event was organised by TEAM Ed and our Year 6s joined other students from TEAM Ed's family of schools including those from Sutton-on-Trent and Dunham primary schools. There were stalls with various exhibitors including colleges and businesses with information about possible career options for the future. As well as this, the children had the opportunity to have a go on some of the rides, so it proved to be both a fun and informative event!

World Book Day – 6th March

There was a lovely, relaxed feel to school on World Book Day. The children participated in a huge range of different 'book' related activities and had plenty of opportunities to sit quietly in their pyjamas or character-themed outfits to take time out for some quiet reading, it was a really lovely day. World Book Day also coincided with the arrival of our new books for the library purchased with the generous donation from GUSTO. To give you a flavour, new titles in the library include: The Queen's Hat; Stardust; The Dragon in the Library; The Last Bear and Once, along with plenty of non-fiction books such as those written about the lives of individuals such as David Attenborough, Leo Messi and Simone Biles.

Visit by Trent Bridge Cricket Club – Chance to Shine Programme

We are pleased to tell you that Trent Bridge Cricket Club are sending a professional cricket coach to school on Tuesday 25th March to run a couple of sessions introducing the children to the world of cricket. The event has been facilitated by the Friends of North Clifton who have also managed to secure some new cricket kit from Trent Bridge so that the children can continue to play the sport as we move into the summer. We are grateful to both parties for their support.

Mother's Day Lunch Invitation

Following the success of our Grandparent's Day Lunch back in October, our lunch to celebrate Mother's Day is taking place on Friday 28th March. Although our focus for this event is of course the 'mothers' and 'grandmothers' within our community, all immediate family members of our children are invited to join the children for lunch. Each meal costs £2.50 and can be paid in advance straight to school using the bank details below, or by paying cash on the day itself. The menu options are listed on the booking form below, sadly we don't have control over the menu options but hopefully you can find something that's suitable.

After lunch you are very welcome to wander around school, perhaps visit our refurbished library area and look at the super World Book Day models that the children made, and to join the children on the playground for the remainder of their break. Lunch will start at 12 noon and lessons restart at 1pm. If you would like to book places at our Mother's Day Lunch please return the attached booking form no later than **9am on Friday 21st March**.
